DR. WEAVER, 95, NOTED TEACHER, DIES IN PHILA.

Native of Gettysburg Served Sixty-One Years at Medical College.

GRADUATE OF LOCAL COLLEGE

Philadelphia, July 15 (AP).—Dr. Rufus B. Weaver, Professor Emeritus of Anatomy at Hahnemann Medical college, died today. He was 95.

Doctor Weaver was a native of Gettysburg, and served on the faculty of the medical college for 61 years. In 1909 he received the first honorary fellowship of the Philadelphia Academy of Medicine in recognition of his work in completely dissecting the human cerebro-spinal nervous system.

Doctor Weaver was born in Gettysburg on January 10, 1841. He pursued special medical courses at the University of Pennsylvania in 1865 and at Jefferson Medical college from 1869 to 1870.

Doctor Weaver was graduated from Gettysburg college in the class of 1862. He held the degrees of master of arts, doctor of sociology, and doctor of medicine. An honorary degree of doctor of medicine was granted him in 1891 from the Hahnemann medical college.

Among the positions he had filled were demonstrator and professor of anatomy at the University of Pennsylvania, 1865-1867; demonstrator of anatomy, Hahnemann medical college, 1867-1925; lecturer on regional anatomy, 1877-1896, and professor of applied anatomy, 1896-1925.

He was curator of Hahnemann college museum from 1868-1925 and had been an exhibitor of thousands of specimens at various medical congresses.

Doctor Weaver was well known for his work in dissecting and mounting the entire human cerebro-spinal nervous system in 1888, the only specimen of its kind.

Doctor Weaver was married in December, 1869, to Madeline Louise Bender, of Philadelphia. His wife died in 1923.

Doctor Weaver devoted his life to teaching and never practiced medicine. The specimen of the dissected nervous system, which hangs in a vault in the Rufus B. Weaver anatomical museum at the college, has been photographed and copied in engravings thousands of times for publication in the medical text books.

He was the oldest alumnus of Gettysburg college.

SUFFERS CHEST INJURY

Howard Shriver, Gettysburg R. 1, submitted to an X-ray examination at the Annie M. Warner hospital this morning for an injury to his chest. The examination revealed a fracture of a rib on his left side. Mr. Shriver was injured Monday when he was pinned against a stall by a horse he was leading in the stable. After the examination Mr. Shriver returned to his home.

LODGE TO INCORPORATE

An application for articles of incorporation of the Littlestown Aerie of the Fraternal Order of Eagles was filed Tuesday in the office of Prothonotary C. Arthur Brane by District Attorney John P. Butt. The organization lists assets at \$750 in personal property. It owns no real estate.

ENTERS PETERS WILL

The will of Zachariah J. Peters, late of Guernsey, was entered to probate Tuesday afternoon in the office of the register and recorder here. A son, Wallace V. Peters, Philadelphia, is executor of the estate which is valued at \$1,000 in personal property and \$2,000 in real estate.

FAIRFIELD BUYS SIREN

The Fairfield Fire Company held its regular meeting Tuesday evening and placed an order with the Federal Electric company of Chicago for a siren at a cost of \$150. The siren will be placed in a suitable place in the center of town and will be electrically operated.

HOSPITAL REPORT

Oscar C. Rice, Jr., Biglerville, and Mrs. Howard Mohr and infant son, Richard Eugene, Fairfield, R. 2, were discharged from the Annie M. Warner hospital today.

Snyder Named Officer of State Post Office Clerks

Gettysburg Man Elected Second Vice-President; Haines Is Convention Speaker.

Jesse E. Snyder, local postal clerk, was named second vice president of the Pennsylvania branch of the United National Post Office Clerks' association at the annual convention of the organization Sunday at Butler. Last year, Mr. Snyder was elected president of the group when they convened here for their annual session prior to the bi-annual meeting of the national organization.

Virgil D. Gibson, president of Butler branch of the state group, succeeded Mr. Snyder as president of the state organization.

Harry L. Haines, congressman from the York-Adams-Franklin district, a member of the house post office committee, was among the speakers. Presidents of the New York and Maryland state and Baltimore city branches also spoke.

W. Preston Hull, clerk in the Gettysburg office, was named to membership on the finance committee of the state branch.

JESSE E. SNYDER

Clerks from the Gettysburg office who attended Sunday's sessions were Mr. Snyder, W. Preston Hull, David A. Tawney, Charles H. Bower, C. K. Gilbert and H. H. Spence.

Locate Veterans' Graves

WPA Workers Also List Dates of Birth, Death, Enlistment And Discharge of Soldiers of All Wars; 76 Cemeteries Provide Records.

Names of over 3,500 veterans of all wars buried in Adams county have been listed by persons employed here on the WPA graves registration project. The records of nearly half of the veterans have been completed, according to Elmer Dillman, project head.

Records being compiled for each veteran listed include the dates of birth, death, enlistment and discharge, the name of the military unit to which he belonged and the exact location of the grave.

The project is being sponsored by the Adams county commissioners and upon completion the register books and maps of all the graveyards in the county will be placed on file at the office of the commissioners. The project was set up under authority of a recent act of the state legislature.

Seventy-six cemeteries within the county have been located and maps of them are being prepared. These cemeteries are located as follows:

In the boroughs of Abbottstown, three; Arendtsville, two; Bendersville, one; Biglerville, one; East Berlin, one; Gettysburg, 4; Littlestown, one; McSherrystown, one, and York Springs, three.

In the townships of Butler, two; Conewago, one; Cumberland, three; Franklin, five; Germany, two; Hamilton, one; Hamiltonban, seven; Highland, one; Huntingdon, four;

Latimore, nine; Menallen, four; Mt. Joy, five; Mt. Pleasant, three; Oxford, two; Reading, two; Straban, three; Tyrone, one, and Union, three.

Mr. Dillman has requested that persons having information concerning burial grounds in the county that have not been located by his men make it known to him by communicating with the project office in the Eagle hotel, Chambers street. The project director stated that he believes there are other cemeteries in the county in addition to the 76 listed and that persons in those localities can give valuable information concerning them.

Mr. Dillman reports that his men are being received courteously as they approach people in all parts of the county in search of information regarding military service records of relatives or acquaintances. Two groups are working out of the local office at the present time in an attempt to secure information with which to complete the records of a number of the veterans listed. The project foreman solicits information from persons who had relatives in any war in which the United States was engaged and who believes such veterans' names may not be listed by the project workers.

The project office is open the first three days of the week from 8 a. m. until 4:30 p. m.

SCHOOL UNITS TO BE STUDIED IN WPA PROJECT

Attendance Areas Subject of Surveys In Ten States in Nation.

DISTRICT MAPS WILL BE MADE

A federal works progress administration project, known as No. 5-122, similar to projects being conducted in every county in the state of Pennsylvania and in nine of states of the nation, was launched in Adams county today.

The purpose of the project sponsored by the state department of public instruction, is "to investigate in a scientific manner the possibility of re-organizing attendance areas and local school units."

A detailed study will be made of the facilities and organization of every fourth class school in the state and county with a view to determining the administration units and the attendance areas.

Maps will be made of each school district and the route travelled by every pupil will be traced. School equipment and costs will be compiled. Information to be tabulated includes an alphabetical list of all persons between the ages of 6 and 16 years and the school census for 1935, scholastic population at intervals of several years, general population of the school districts at 10-year intervals, school enrollment by grades and levels, average daily attendance, pupil teacher ratio, number of grades and days taught by each teacher, number of classroom teachers, instructional costs, assessed valuations, tax rates, records of financial receipts and resources, state-ments of bonded indebtedness, expenditures for transportation and other purposes and school plant facilities.

Boise L. Brister, Harrisburg, assistant to N. A. Danowsky, associate director of the project in the state, came here today to set up the project. Dr. J. Y. Shambach, of the state department of public instruction, is the state project director.

Mr. Brister will assist in preparations for work on the project that will continue probably until the end of the year. The actual tabulation of the facts will be made from records in the office of the county superintendent of schools in the court house by Mrs. Florence E. Woodward, Ortanna R. 2.

It is hoped that the results of this survey will make it possible for superintendents to advise with those persons in their counties who may wish to effect a desirable re-organization of school facilities, it was stated.

It was pointed out that the project should make it possible for the office of the United States commissioner of education to act as a clearing house in giving to states such information the benefit of the experience of other states that have made an extensive study of the problems involved.

Deaths and Burials

Mrs. Edwin L. Weikert. Mrs. Alice Naomi Weikert, 73, Steinwehr avenue extended, wife of Edwin L. Weikert, died at her home at 6:30 o'clock this morning from complications. She had been in failing health for eight years.

Mrs. Weikert was a daughter of the late Joseph and Eliza (Raffensperger) Gelbach and was born in Hamiltonban township, near Fairfield. She spent her early life in that section. During the last 17 years she resided in Gettysburg.

She was a member of the Trinity-Evangelical-Reformed church, of Gettysburg.

Surviving are her husband and three sisters, Mrs. James Caldwell, Gettysburg; Mrs. Elmer Stoner, Washington, D. C., and Mrs. Clarence King, Harrisburg.

80-FOOT SPAN TO BE BUILT

Commissioners to Receive Bids for Bridge Over Rock Creek.

Adams county commissioners will receive bids Tuesday, August 11, on the construction of an 80-foot double span bridge of the steel deck girder type to be erected over Rock creek, joining Cumberland and Mount Joy townships.

Decision to ask for bids was taken at the regular weekly session of the commissioners Tuesday after James B. Long, construction engineer, reported that the bureau of forests and waters at Harrisburg has approved the construction of the bridge. Mr. Long has supplied drawings and specifications for the bidders.

The bridge will be 20 feet wide and will have galvanized pipe railings. Township road supervisors in Cumberland and Mount Joy townships are cooperating with the commissioners in clearing approaches to the new structure.

KIN HELD ON SURETY COUNTS

Father, Previously Charged By His Wife, Swears Out Warrant for Son, 19.

While Chester Shoemaker, 49, Mount Joy township farmer, was in jail here Tuesday in default of bail on a charge of surety of the peace laid by his wife, Mary B. Shoemaker, he called Justice of the Peace John H. Basehore to the county jail and swore out an information for the arrest of his 19-year-old son, Austin Shoemaker, on a similar charge.

Tuesday afternoon Constable George B. Aughinbaugh arrested young Shoemaker and told him to appear before Justice Basehore this morning to post \$300 bail for a later hearing. In the meantime, the father, also, secured the necessary \$300 bail and was released for a hearing before Justice of the Peace John C. Shearer.

The elder Shoemaker appeared before Justice Shearer this morning and the hearing on the case was continued until August 1. In the family "conference" that ensued it was agreed that if Austin would pay the costs of the case in Justice Basehore's office, his father would withdraw the information. That plan was followed.

STOCK REPORT

New York City, N. Y., July 15 (AP).—Electrical stocks made headway against profit-taking currents today, but irregular trends prevailed in late dealings. Some dealers seemed a bit confused over the boost in federal reserve bank requirements. Financial sources, however, thought equities had been little affected by the raise. Trading rose near the final hour although the total turnover was placed at around 800,000 shares.

REPORTS ON BILL

Harrisburg, Pa., July 15 (AP).—Senator James J. Coyne, Allegheny, republican, chairman of the senate insurance committee, said the administration's unemployment insurance bill will be reported for action today with major changes.

Wolff Engagement Told

Daughter of Mrs. W. E. Wolff, of Arendtsville, to Wed Willard M. Bond, of Needham, Mass.; Luncheon-Bridge Party Held This Afternoon.

The engagement of Miss Catherine F. Wolff, daughter of Mrs. W. E. Wolff, of Arendtsville, and Willard M. Bond, son of Mr. and Mrs. Jerry Bond, of Needham, Massachusetts, was announced this afternoon at a luncheon-bridge party given by Miss Wolff's mother, Mrs. W. E. Wolff, at the Flora Dale tea house.

During the luncheon a Talisman rose was presented each guest to which was attached a small card bearing the names of Miss Wolff and Mr. Bond and a rhyme.

Talisman roses, delphinium and baby's breath were used for the center piece on the table and also in decorating the rooms.

The guests included Mrs. Bruce N. Wolff, Mrs. Daniel Wolff, Mrs. Burton Wolff, Mrs. Willis Beidler,

Miss Elizabeth Boyer, Mrs. John A. Hauser, Mrs. C. H. Heldt, Mrs. Raymond Oyer, Miss Regina Oyer, Miss Kathryn Raffensperger and Mrs. Elmer Warren.

Miss Wolff was graduated from the Arendtsville Vocational high school. She attended Irving college and the conservatory of music at Mechanicsburg and was graduated from the Maryland college for women at Lutherville with a bachelor of science degree.

Mr. Bond, who was graduated from the Needham high school, is affiliated with the Landscape department of the Bay State Nurseries, Incorporated, at North Abington, Massachusetts.

No date has been set for the wedding.

Released From Jail By Prisoner's Bail

After the testimony of several state's witnesses had been taken at a hearing before Justice of the Peace John H. Basehore, Lester Goodermuth, 33, 640 York street, entered a plea of guilty to a charge of drunken driving and was returned to the county jail. He was represented at the hearing by Franklin R. Bigham, Esq.

Later in the day Goodermuth was released from jail under \$500 bail for August court. The bail was posted by Cornelius B. Lerew, Biglerville, serving a jail sentence for arson.

ESTATES LIABLE FOR SUMS PAID 'OLD AGE' NEEDY

Law Provides for Returning Money to State at Death.

JUNE PAYROLL \$1,356 FOR 268

More than 300 Adams countians who are receiving or are eligible to receive old age assistance will be asked to sign agreements making their estates liable for the amount of old age assistance they have received up to the time of their death. It was announced today by Miss Margaret McMillan, executive secretary of the Mothers' assistance board of Adams county, following an all-day session of the board at the court house, Tuesday.

Agreement to have the sums received from the old age assistance funds turned back to the state and federal governments at the death of the beneficiary was provided in an act of the state legislature, approved June 25.

The act provides: "The real and personal property of any beneficiary (of old age assistance) shall be liable for the repayment of assistance received under this act or the act repealed by this act whether such property was owned at the time such assistance was granted or acquired thereafter. Claims for assistance furnished shall have the same force and effect against the real and personal property of a deceased beneficiary as other debts of a decedent and shall be recoverable in the same manner."

The effect of the act is, it was explained, to make the old age assistance a loan without interest for the life of the beneficiary to be repaid from the estate of the decedent, if any property is owned at the time of death.

Eligibles to Sign Before Aug. 15. Representatives of the county board will call on all persons now receiving old age assistance and those eligible for the payments and give them an opportunity to sign the agreement before August 15, in order to be eligible for July payments. Refusal to sign an agreement will suspend payments.

The same act of the legislature makes it unlawful for any member, representative or employee of a mothers' assistance board to take part in any way in any form of political activity. Violation of the act is termed a misdemeanor and is punishable by a fine or jail sentence.

The board Tuesday acted upon and approved 15 applications for old age assistance and forwarded the papers to the division of grants and pensions, department of welfare, Harrisburg. The board reports that two persons receiving assistance have transferred to Adams county from other counties. The board or its representatives have now completed examination of all applications received in July, 1935, and are rapidly completing the list received in August and September of that year. By the end of September, it is hoped that all applications received to date will have been investigated.

As of May 31, there were 107 men and 100 women on the waiting list for old age assistance in this county. During last month applications were received from 12 men and an equal number of women, bringing the total applications for the month to 231. During the month the board approved the applications of 50 persons and listed six as ineligible for various reasons. At the end of the month of June there were 175 persons on the waiting list.

The total payroll for old age assistance in this county during the month of June was \$3,356.76, with 147 men and 121 women receiving aid. Figures for blind pensions received here in the month of June show that a total of \$1,131.50 was paid to 45 persons who were on the active list during the month. The pension is paid at the rate of \$20 per month. Several deaths occurred and account for the odd amounts paid, as the pension stops on the date of death.

On June 1 there were seven applications for blind pensions pending here, five others were received during the month, six were granted and one was rejected because the applicant's vision was too high. Five cases were pending at the end of the month.

Mrs. Elizabeth McPherson served as the presiding officer at the meeting which was attended by Mrs. Maude Neely, Mrs. Jane R. Bigham, Mrs. Nettie Weiser and Mrs. Maude Saby. The board transacted routine business with respect to the ten families that are on the active lists for mothers' assistance. There are 16 cases on the waiting list.

ROOFS DAMAGED, TREES DOWN IN DAUPHIN STORM

Gale Over Part of the County Follows Hot Day in Harrisburg.

Harrisburg, July 15—A gale of near hurricane proportions lashed around lower Dauphin county Tuesday, causing thousands of dollars of damage to property.

Hummelstown was the severest hit with eighteen buildings damaged during the storm, while fallen power lines and trees disrupted highway traffic.

Middletown and Halifax also fell in the wake of the storm but only traces of rain were recorded in Harrisburg.

Lightning Fires Barn

Lightning set fire to a barn near Highspire and resulted in approximately \$10,000 damage with the loss of more than fifty tons of hay and several bushels of wheat.

Light poles felled during the hour's storm littered the highways and disrupted traffic.

Harrisburg Railways company transferred passengers to buses at Rutherford on the way to Hummelstown and at Steelton en route to Middletown.

Explaining that trees had fallen over the lines, officials said that normal service was being maintained and that the trouble would be overcome probably by today.

101 Degrees in Harrisburg

The storm reached Harrisburg three hours after temperatures soared to a high of 101.1 degrees at 2:45 o'clock in the afternoon and made its debut with a dust storm.

But the center of the wind storm missed Harrisburg. It cut a path several miles wide and Hummelstown and Middletown received the force of it.

Firemen reported eighteen buildings damaged, including Warner's garage, the state liquor store in the same building, post office, Smith's hardware store in the same building, and the Press brothers factory buildings.

Outside of Hummelstown, a barn was demolished at Beaver Station, half way between Rutherford and Hummelstown, owned by Joe J. Petrina, who estimated his loss at \$7000. With the barn, all the crops were destroyed and a calf killed.

The Beaver schoolhouse roof was lifted and the walls cracked in. The fallen roof blocked traffic on the highway.

Further losses were expected to be reported today when communications with outlying farms are established.

When the roof of Warner's garage collapsed, John Werts, 35, a mechanic, narrowly escaped death. He was pulled back by a companion when beams fell. Harry Patterson, district superintendent of the Western Union maintenance division, reported all telephone wires down for several miles near Hummelstown. He ordered out repair crews from Carlisle and as far east as Reading.

FIFTY INJURED AS RIOTS MARK BASTILLE DAY

French Nationalists Scuffle With Leftists and Police.

Paris, July 15 (AP)—Nationalist enemies of Leon Blum's government, a scuffled with police and leftists in the swank Champs Elysees late Tuesday to provide a rowdy epilogue to France's Bastille day spectacle.

While the Premier himself addressed a vast victory celebration of the leftist forces which raised him to power in the Place de la Bastille, fighting broke out in the famous avenue at the other side of the city.

Rightists reported a score of injuries, including one man who was taken to a hospital with a fractured skull.

30 Hurt in Ruyan Clash
At Ruyan thirty persons were injured when nationalists fought with leftists in an attempt to prevent them from carrying a red flag past a war memorial.

The trouble in Paris, in which white-clad women standard bearers figured, started when the leftists, returning from their own great parade, raised their fists in the red salute.

The nationalists at the time were filtering through lines of Mobile Guards to drop flowers on the tomb of the Unknown Soldier, beneath the Arc de Triomphe.

Cries of "Soviets everywhere!" led to the beating by rightists of a man and a woman who stood in a taxicab, waving a red flag. Nationalists also tore a red flag from a girl on a motor cycle.

Bystanders along the avenue pushed back against cafes, and tables and chairs were hastily taken in from the sidewalks to barricade doors.

Guards Fight To Check Crowds
A white-clad girl waved a Tri-Color from a careening automobile. Roars of "France for the French!" went up from the sidewalks and 2,000 rightists, led by a medal-covered man who waved another Tri-Color from a taxicab, stamped up the avenue.

Guards fought to hold the crowds in check; mounted guards rode their horses into the singing sidewalk crowds and police beat off rioters with lead-weighted capes.

Double ranks of the guards kept back communists who, waving red flags, tried to break through to get at the rightists. Nationalist spectators, throwing up their arms in the Fascist salute and singing the Marseillaise, were pressed into side streets.

HOPE FOR TAX AGREEMENT
Harrisburg, Pa., July 15 (AP)—John J. McClure, republican, chairman of the Senate Finance committee, said the committee hoped to agree today on what new taxes are to be included in the senate proposed forty-nine million dollar revenue program. McClure added that "so far there is absolutely no agreement." He said the senate must estimate what the state would need in the way of new revenue and said this was "very controversial."

A silver "half-dime," minted 10 years before the Civil war, was found by Will Walch, of Weimar, Texas, while plowing.

TOLL AT 2,827 AS COOL RAINS DRIVE OFF HEAT

More Than 1,000 Die In Day While Relief Rolls Eastward.

Chicago, July 15 (AP)—Striking heaviest even as relief in the shape of a cool, rain-bearing air mass was rolling eastward at thirty-three miles an hour, heat claimed its longest list of victims Tuesday.

Fatalities for the 12-day torrid spell which accelerated a crop deterioration unequaled previously in sections of the farm belt, mounted to 2,827, an increase of more than 1,000.

Death records in several cities were described as second only to those of the influenza epidemic of 1918.

Minnesota Toll Heaviest

Late reports and revisions of lists in Minnesota sent that state's total soaring to 560, topping even the fatality toll of badly stricken Michigan, before cooling thunder storms arrived Tuesday night.

The Hennepin county coroner (Minneapolis) said the deaths there were exceeded for a like period only by those during the influenza onset. Heat cases were taken to the general hospital at the rate of "three a minute" during the hottest part of a day which saw a 106.5 degree maximum in the twin cities.

In Chicago, where 222 died during the heat wave, morgue attendants likewise described conditions as surpassed only by the war-time epidemic. Illinois' toll stood at 333.

Heat Routed by Rains

The welcome rains sent the mercury down rapidly. Minnesota readings in the upper 70's and lower 80's quickly replaced those above 100 degrees. Minneapolis was drenched and the storm at nearby Norwood was described as a "small tornado."

Sweeping rainstorms late Tuesday also relieved central Michigan and brought succor from heat which had claimed 500 lives. The rain came within fifty miles of Detroit.

Brawley, California, in the heat-acustomed Imperial valley, had a 120-degree reading, but more than a score of mid-western cities were not far behind. The hottest place in the territory was Mount Vernon, Illinois, with 114.5. Only slightly less torrid were the 113 marks registered at Cedar Rapids, Iowa; Kewanee and La Salle, Illinois, and Wellington and Fredonia, Kansas. Many stations in Kentucky, Arkansas, Missouri, Michigan, Oklahoma, Ohio, Minnesota, Wisconsin, Indiana, Nebraska and North Dakota had readings of 100 to 110 degrees.

AUTO AND PARKED TRUCK IN CRASH; ONE INJURED

One man was slightly injured Tuesday afternoon when an automobile on the point of passing a motor truck at Winding Hill sideswiped a parked truck on the opposite side of the Gettysburg-Harrisburg highway.

State highway patrolmen reported that the operator of the automobile was Philip Price, 25, of Buffalo, New York, and that the owner of the parked truck was Walter G. Koche, 55, of Williams Grove. Koche, who was helping another truck get his machine out of a ditch when the accident occurred, suffered scratches of the left side of the face, highway patrolmen reported.

CAR DODGER TOSSES ICE CREAM CONE AT DRIVER

Philadelphia, July 15 (AP)—Alfred Degregorio, 26, munching an ice cream cone as he crossed a busy street made a leap to the curb as an automobile narrowly missed him.

The cone landed squarely in the face of Howard Pressman, the driver.

Traffic Officer Charles Metzner arrested Degregorio on what he said was a charge of "assault and battery by ice cream cone."

FARMERS DRAG COW FROM MINE CAVE-IN

Punxsutawney, July 15 (AP)—Rescue crews worked for hours Tuesday to save a cow from a mine cave-in.

"Bossy" tumbled into the hole, eighteen feet deep, while being driven home from pasture. The rescue crew included farmers from miles around. They gathered with ropes, picks, and shovels for the rescue attempt.

They reported the cow uninjured.

SLAYBAUGH REUNION

The eighth annual reunion of the Slaybaugh family will be held Saturday, August 1, beginning at 10 o'clock in the morning at the Biglerville firemen's grove, east of Biglerville, along the Table Rock road. A program will be presented beginning at 2 o'clock in the afternoon. Baseball, quilts and horseshoe pitching are included on the list of amusements. Professor J. Floyd Slaybaugh, East Middle street, is president of the family organization and E. T. Slaybaugh, Chambersburg, is the secretary.

LUTHERANS TO HOLD REUNION

50th Annual Event of West Penn and Maryland Synods Arranged at Pen-Mar.

Lutherans from the West Pennsylvania and Maryland synods of the church will gather at Pen-Mar park Thursday for their fiftieth annual reunion. An interesting program commencing at 1:30 o'clock in the afternoon has been prepared.

Included on the program will be the awarding of a loving cup, appropriately engraved, to the delegation from that congregation within the two synods having the highest total of "attendance miles" to its credit. Delegation must be confined to members of the congregation entered or members of the Sunday school or other auxiliary organizations of the congregation. This cup is presented annually and the delegation winning it three times shall gain permanent possession of it.

Among the members of the committee on arrangements for the reunion is Dr. B. Clinton Ritz, pastor of the Lutheran church in Waynesboro, who is a representative of the Maryland synod as well as chairman of the committee. The Rev. John W. Ott, D. D., president of the Maryland synod, will preside at the sessions.

The program for the reunion follows:

1:30 p. m.—Pen-Mar park orchestra.

2:00 p. m.—Hymn, "Come Thou Almighty King."

Scripture lesson—The Rev. Ralph L. Tabor, Middletown.

Prayer—The Rev. Siebert Lee Hench, Dallastown, president of the West Pennsylvania synod.

Historical address—The Rev. A. R. Steck, D. D., Carlisle.

Anthem, "Sing Alleluia Forth" (Buck)—Choir of Christ Lutheran church, York.

Announcements.

Offertory—Pen-Mar park orchestra.

Offering—The Rev. I. M. Lau, York.

Address, "One By One"—The Rev. Charles B. Foelsch, Ph.D., pastor Zion Lutheran church, Sunbury.

Anthem, "The Omnipotence" (Schubert)—Choir of Christ Lutheran church, York.

Awarding of loving cup—Loving cup committee.

Hymn, "The Church's One Foundation."

Benediction—The Rev. H. F. Cof-felt, Rouzerville.

Plan Bendersville Hall

Center for Community Activities Is Being Established in Former Fruit Growers' Building; Many Improvements Scheduled; Auditorium to Accommodate 600.

A report on the establishment of a community hall in Bendersville, as written by the secretary of the building committee, follows:

"The community of Bendersville, believing that wholesome recreation is beneficial to both mind and body, has sought to provide for its citizens a center for the carrying out of those ideals which have notably come to the fore in other communities.

These ideals have been partly realized through voluntary contributions of labor, money and materials.

Under the leadership of the fruit growers, craftsmen, business and professional men of the community, the former Fruit Growers hall, a landmark of the town, was purchased at a receivers' sale. The sale followed the expiration of the hall charter in 1926, and no further application was made for its renewal.

The hall purchased by the borough of Bendersville, with the assistance of the Community fire company, which will benefit through its renovation and expansion, was originally erected as a church, housing the religious society of Orthodox Quakers. It was erected on land donated by Doctor Mumma, a prominent member of the society.

Upon dwindling of the ranks of these worshippers, the little structure was sold to a company of prominent fruit growers and business men and extensive improvements made, making an up-to-date convention and amusement audi-

torium. It was named the Fruit Growers hall.

The hall itself is of frame weatherboard construction, with a slate and metal roof. In the remodeling, which is being done under the supervision of the fire company, the outstanding objective is to provide a spacious auditorium and grounds to accommodate community affairs, social, religious, business meetings, conventions, banquets, suppers, plays, etc., as well as basketball and other indoor games.

The floors have been relaid and leveled so as to make the main auditorium large enough to seat approximately 600 people and also allow for the laying out of a basketball court. The walls are being replastered and will be repainted with a flat cream paint. Electric wiring has been rearranged.

The roof has been repaired and

repainted.

A large chimney has been built to provide sufficient draft for the new Spencer steam heating plant. A kitchen, 12 x 40 feet, is being built and equipped with modern conveniences to take care of the culinary requirements.

The entire building is being covered with several coats of white paint trimmed with green.

The old "hitching" sheds, reminiscent of the horse and buggy days a generation ago and which were erected at the time of the building of the little frame church, have been moved to a new location in the rear of the lot lately bought for that purpose and will receive a new concrete floor and metal roof. The spacious interior of this building will serve the Fire Company as booths and storage rooms during their annual fair.

The alley leading into the grounds has been widened and walled up to permit two-way travel. The grounds around the buildings are being leveled and drained; shade trees planted, and grass seed sown to provide both beauty and utility to the premises. Space has been allowed in the PWA for digging out a cellar

rear of the grounds for the parking of cars during the various engagements which will be held here.

A project is to be taken out with under the main floor for a storage room and heating plant purposes.

A force of skilled workers is endeavoring to have the improvements advanced far enough to permit the holding of the fire company's annual fair and carnival on August 13, 14, and 15. Upon completion of the project, some time early in the fall, the Community center will be rededicated to that occasion.

Members and officers of the fire company are at present supervising the work, but the management of

the recreation center and community hall will ultimately pass into the hands of a board of trustees, elected yearly from the members of each church in the community and a representative each from the borough and fire company.

Late News Flashes

Freighter Plows Bay Boat Carrying 235 Passengers

Baltimore, Md., July 15 (AP)—A steel-laden freighter plowing through the darkness, rammed its prow deep into the side of a Chesapeake Bay boat outside the harbor here and gave the 235 passengers what one of them described today as "the closest shave I ever had."

After a scene of near panic aboard the rammed ship and several hours anxiously awaiting rescue, the passengers, Governor Harry W. Nice among them, landed safely in port at daybreak aboard a ferry boat. Nearly all had been badly jolted and some were bruised in the collision.

Tightly locked together, the two vessels, the bay ship State of Virginia and the freighter Golden Harvest, drifted aground off Seven Foot Knoll with their crews still aboard. The coast guard cutter Apache which aided actively in the rescue, stood by.

The passenger boat, a three-decker, was returning members of the Automobile Trade association of Maryland from a two-day convention at sea. The terrific impact interrupted merriment going on at full blast aboard the ship.

Some of the girls in a show be-

came hysterical. Women passengers screamed, and men turned from fun-making to kneel on deck and pray for safety.

Officers Arrest Polly Moran's Husband on Assault

Beverly Hills, California, July 15 (AP)—Polly Moran's screams of "don't kill me" summoned officers to the residence of the film comedian today and they slapped handcuffs on her husband, Martin Malone, while he was clicking a pistol.

A bent cartridge in the pistol saved her life, Sheriff Deputies Walter Schottmiller and Robert Jorgeson said.

The officers said in the struggle to subdue the attorney, husband of the movie star, he nearly knocked one of them out.

He was booked on a charge of assault with a deadly weapon. The officers said Malone was intoxicated.

The deputies said Miss Moran was clad in a kimono and crying hysterically when they arrived.

"I recognized her as the actress at once," said Schottmiller.

Malone had been drinking, declared Schottmiller.

"Get out of here or I'll fill you full of holes," the officers quoted Malone as shouting at them.

WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed in the Morning Karin's to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk. Laxatives are only makeshifts. A more bowel movement doesn't get at the cause. It takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else. 25c.

U. S. TO PROBE WENDEL CASE

Newark, N. J., July 15 (AP).—A federal grand jury here promised Tuesday to take action in the Paul H. Wendel kidnapping sequel of the Lindbergh-Hauptmann case—if authorities in New York do not dispose of the matter.

"If New York does not dispose of this case, we will," said Julius S. Rippel, jury foreman, after the jury had questioned New Jersey's attorney-general, David T. Wilentz.

Rippel said he had discussed the case with an assistant in the office of Homer S. Cummings, United States attorney-general, and had been told the question of jurisdiction would be determined shortly.

Wendel, former Trenton attorney, asserted he was kidnapped in New York on February 14 and tortured into "confessing" he killed the Lindbergh baby.

He later repudiated the "confession" in a statement given Wilentz, but the Mercer county (Trenton) grand jury's investigation delayed for three days the electrocution of Bruno Richard Hauptmann for the murder.

Newt Prince, Sweetwater, Texas, has a collection of 319 branding irons, one dating back to 1836.

3 KILLED, 13 HURT IN SPAIN

Fascists, Returning From Funeral of Slain Monarchist, Battle Guards.

Madrid, July 15 (AP).—Three persons were slain and thirteen wounded in new outbursts of Spanish political passion Tuesday.

Two lost their lives and six were wounded in clashes between assault guards and fascists returning from the funeral of Jose Calvo Sotelo, kidnapped and killed Monday by men in the uniforms of assault guards.

One worker was killed and seven wounded in fights between striking syndicalists and socialists in the Cuatro Camino section of Madrid.

Strategic points of the capital were heavily guarded. Observers feared the political repercussions of the Calvo Sotelo assassination might be serious, since republican members of the popular front were much disturbed by a possible slip in the left coalition.

To add to the government's troubles, 60,000 coal miners in Asturias threatened to resume their strike Saturday unless they get the back pay which they have been promised.

After Calvo Sotelo had been given a comparatively quiet burial, 500 young fascists marched down Alcala street en route from the cemetery, crying "Russia? No! Spain? Yes! Long live Spain!" and giving the fascist salute.

Two Local Golfers Win Places in Fifth Hershey Tournament

Hershey, Pa., July 15.—Two Gettysburgians, Joseph Reaser and Aus-

tin McCarty won places in the fifth annual Hershey park golf club tournament which began this week on the links of the club, the first round to be played between now and July 26.

Charles Wiperman, of Hershey, is the medalist, with 147 strokes for 36 holes. McCarty won second place with 150 strokes and Reaser sixth place with 161.

McCarty plays Irvin V. Kreider, of Palmyra, and Reaser has as his opponent Dick Miller, of Hershey. Sixty-five golfers are in the tournament, the contestants hailing from

thirteen towns, among them Camp-belltown, Camp Hill, Cleona, Colon-i-al park, Ephrata, Gettysburg, Har-risburg, Hershey, Hummelstown, Lebanon, McKnightstown, Palmyra and Steelton.
